An Act To Limit the Scope of Miscellaneous Costs within the General Purpose Aid for Local Schools Appropriation

PUBLIC 275

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TRAHAN	OTP-AM	S-209

This bill amends the law concerning the various elements of the "miscellaneous costs" component of the general purpose aid for local schools appropriation, or GPA appropriation. The premise of the bill is that the GPA appropriation should be either a general purpose subsidy to local schools or a state expenditure that provides direct educational services to students who would otherwise be served by the State's public elementary or secondary schools. The bill eliminates the Commissioner of Education's authority to use GPA funds to pay the personnel costs for a range of state employees who work for the Department of Education and provide only indirect support to the public education system. The bill eliminates a similar authority to use GPA funds to pay for the personnel costs of 3 teachers employed by the Department of Corrections. The bill also eliminates the authority to use GPA funds to pay for general education research conducted by the University of Maine, but it retains the authority to use GPA funds to cover a contract with the university to monitor and update the essential programs and services school funding model.

Committee Amendment "A" (S-209)

This amendment replaces the bill to incorporate changes in the law concerning the Commissioner of Education's funding level recommendations and the Governors recommendations for the annual appropriation to the General Purpose Aid for Local Schools program in the state budget. The amendment requires that the amounts appropriated for certain components of the Essential Programs and Services Funding Act that are proposed in any state budget must be shown in a sufficiently detailed and transparent form and manner to permit the Legislature and the citizens of the State to identify the changes in proposed funding for the components of the Essential Programs and Services Funding Act from the proposed budget without need for reference to other documents or explanations.

Enacted Law Summary

Public Law 2009, chapter 275 incorporates changes in the law concerning the Commissioner of Education's funding level recommendations and the Governor's recommendations for the annual appropriation to the General Purpose Aid for Local Schools program in the state budget. The law requires that the amounts appropriated for the adjustments and miscellaneous costs components of the Essential Programs and Services Funding Act that are proposed in any state budget must be shown in a sufficiently detailed and transparent form and manner to permit the Legislature and the citizens of the State to identify the changes in proposed funding for the components of the Essential Programs and Services Funding Act from the proposed budget without need for reference to other documents or explanations.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
COURTNEY	ONTP
