Joint Standing Committee on Criminal Justice and Public Safety

Resolve 2009, chapter 53 directs the Department of Public Safety to assist private sellers of firearms by providing information about how to collect appropriate information about the purchasers of firearms and how to obtain criminal history record checks on those purchasers. In this effort, the Department of Public Safety shall invite the United States Attorney for the District of Maine and the Sportsman's Alliance of Maine to collaborate in order to educate the public and private sellers and encourage access to the United States Department of Justice's Project Safe Neighborhoods website where private sellers can obtain a gun seller's tool kit. The department shall also invite the United States Attorney for the District of Maine and the Sportsman's Alliance of Maine to assist it in contacting Maine's federally licensed firearms dealers and compiling a list of those dealers who are willing to perform criminal history record checks of buyers purchasing firearms from private sellers. The department shall post that list on its website and shall invite both the United States Attorney for the District of Maine and the Sportsman's Alliance of Maine to include the list on their existing websites and shall publicize the information to educate the public. The department shall report its progress to the Joint Standing Committee on Criminal Justice and Public Safety by February 1, 2010.

LD 1157 An Act To Improve the Use of Information Regarding Sex Offenders

PUBLIC 365

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GERZOFSKY	OTP-AM	S-264

Part A of the bill makes the following changes to the Maine Criminal Code.

1. It amends the crime of prohibited contact with a minor by repealing the element that the person has a duty to register under the Sex Offender Registration and Notification Act of 1999 and by making the law applicable only to those persons convicted on or after June 30, 1992.
2. It repeals from the sentencing provisions the directive that a court order a person convicted of a sex offense or a sexually violent offense to satisfy all requirements of the Sex Offender Registration and Notification Act of 1999. This change clarifies that the Legislature determines that a duty to register exists based on the conviction and that the court's duty is only to notify the person of that duty.
3. It repeals from the probation provisions the directive that a court attach as a condition of probation that a person convicted of a sex offense or a sexually violent offense satisfy all requirements of the Sex Offender Registration and
