HARVELL SIMPSON	ONTP	

This bill allows taste testing of distilled spirits in agency liquor stores and malt liquor in retail stores with off-premises licenses in the same manner and under the same conditions as wine taste testings are currently conducted.

**LD 1169 An Act To Amend the Election Laws**

**PUBLIC 253**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TRINWARD	OTP-AM	H-311

This bill adds to the definition of "immediate family" and provides a definition for the "public counter" mechanism on a voting device. The bill establishes a retention period for direct initiative of legislation and people's veto petitions. The bill also clarifies the registrar's consideration of residency factors in determining the voting residence of an applicant and provides factors for the registrar to consider in verifying the identity of a voter. The bill expands the "fail safe" provision for a voter who moves to a new state before a presidential election from 30 days to 60 days before the election. The bill also provides that United States citizens who have never lived in the United States may register to vote at the Maine voting residence claimed by either of the person's parents. The bill increases the voter registration period before a presidential year municipal caucus from at least 30 minutes to at least one hour. The bill requires that decisions made by the authority hearing an appeal from a voter registration decision must be issued to the voter in writing. The bill authorizes the Secretary of State to determine the form of the registrar's enrollment certification on candidate petitions. It also clarifies that petition circulators must take oath that they "personally witnessed" all the signatures to the petition, rather than simply swearing that the signatures were made in the circulator's presence. The bill removes the requirement that a candidate's residence must be listed on the ballot. The bill changes the requirements for the number of copies of postings at the voting place from 2 to one and adds a new requirement for posting the list of declared write-in candidates next to the sample ballot. The bill amends the requirements for casting a write-in vote and clarifies the requirements for when a write-in vote may be counted. The bill further specifies the procedures for the counting of ballots by the election clerks. The bill changes the requirement for the Secretary of State to publish uniform guidelines for determining voter intent into rule-making authority and restores the authority of the Secretary of State to adopt rules governing recount procedures. The bill clarifies the requirement for when a copy of the voting list must be provided to the clerk after a recount. The bill also changes the references for absentee ballot e-mail requests to requests made by "electronic means." The bill clarifies the time period allowed for early processing of absentee ballots and requires municipalities that wish to process absentee ballots early to provide a copy of the notice of election to the Secretary of State by 30 days before the election. The bill prohibits a candidate from assisting an absentee ballot. This bill requires that an applicant for a direct initiative of legislation must submit a summary that explains the purpose and intent of the direct initiative along with the application form and allows the Secretary of State to have a 15-business-day period to review the first draft of the application.
