## *Joint Standing Committee on State and Local Government*

This bill requires the Secretary of State and the InforME Board to develop a program that would allow a municipality to forward information concerning outstanding parking tickets to InforME. The Bureau of Motor Vehicles within the Department of the Secretary of State may use that information to advise a person that the person may pay any outstanding tickets at the time of registration of a motor vehicle.

**LD 1172    An Act To Allow a Municipality To Grant a Variance for the Construction of a Parking Structure for a Person with a Permanent Disability**

**PUBLIC 342**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CASAVANT ALFOND	OTP-AM MAJ OTP-AM MIN	H-299

Current law allows a zoning board of appeals to grant a variance to a person with a disability for the construction of equipment or structures necessary for access to or egress from the dwelling. This bill allows a zoning board, if allowed by the municipal ordinance establishing the zoning board, to grant a variance for the construction of a structure for the storage of a motor vehicle owned by a person with a permanent disability and registered in this State with disability registration plates.

**Committee Amendment "A" (H-299)**

This amendment, which is the majority report of the committee, removes the provision of the bill that a variance may be granted for the construction of a place of storage and parking for a noncommercial vehicle only if the structure is attached to a dwelling owned by a person with a permanent disability by a foundation and has load-bearing walls. This allows the municipality maximum flexibility when granting a variance for a person with a permanent disability to construct a place of storage and parking for a vehicle owned by that person. The structure may be up to two times the length and width of the vehicle, rather than one and a half times as in the bill.

**Committee Amendment "B" (H-300)**

This amendment, which is the minority report of the committee, requires that the construction of a structure for the storage of a motor vehicle owned by a person with a permanent disability must be a temporary structure that is removed after that person no longer occupies the dwelling. This amendment was not adopted.

**Enacted Law Summary**

Public Law 2009, chapter 342 allows a zoning board, if allowed by the municipal ordinance establishing the zoning board, to grant a variance for the construction of a structure for the storage of a motor vehicle owned by a person with a permanent disability and registered in this State with disability registration plates. The structure may be no larger than two times the length and width of the vehicle.
