a municipality. The owner of the vehicle photographed or otherwise recorded violating a traffic control device is rebuttably presumed to be the violator, similar to current Maine law regarding passing a stopped school bus or a traffic violation at an emergency scene.

This bill also requires the revenue generated by a traffic light violation monitoring system to be returned to the municipality that purchased, installed and was operating the system at the time of the enforcement action but only until such time as the municipality has been reimbursed for its expense. After that, the revenue is deposited in the Courthouse Security Fund to be used to improve security and improve public safety at court facilities.

PUBLIC 437

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FLETCHER SHERMAN	OTP-AM	H-264

This bill adds 6 commemorative decals to the list of decals issued for veterans license plates and also requires the Secretary of State to review the 2007 and 2008 data for the number of decals issued for those years, as well as the cost of acquiring and distributing the decals along with the revenue received. The Secretary of State is to report with recommendations to the Joint Standing Committee on Transportation, which is authorized to submit a bill on the findings.

Committee Amendment "A" (H-264)

This amendment doesn't change the number of commemorative decals added to the list of decals that may be issued for veterans license plates by the bill, but makes a number of technical corrections. The amendment places a moratorium on any special commemorative decals that are not already authorized by law for use with special veterans registration plates for a period of 5 years, October 1, 2009 to October 1, 2014. The amendment changes the Secretary of States report due date from January 1, 2010 to February 28, 2010. The amendment also adds an appropriations and allocations section.

Enacted Law Summary

Public Law 2009, chapter 437 adds 5 commemorative decals to the list of decals issued for veterans license plates. It also places a moratorium on any special commemorative decals that are not already authorized by law for use with special veterans registration plates for a period of 5 years, October 1, 2009 to October 1, 2014. The law directs the Secretary of State to review the number of decals issued, as well as the cost of acquiring and distributing the decals along with the revenue received, and report back with findings and recommendations to the Joint Standing Committee on Transportation no later than February 28, 2010.
