JT. RULE 309

This bill establishes the Maine Emergency Services Institute to provide core and specialized training to first responders in multiple areas related to fire safety, public safety and emergency management. The Board of Directors of the Maine Emergency Services Institute is charged with developing a plan for the physical establishment of institute facilities by December 31, 2014, developing a funding plan including application for federal funds and developing training programs. The institute is partially funded by 20¢ from the E-9-1-1 surcharge and the redirection of funding that currently goes to the Maine Fire Training and Education Program.

Permission to carry over LD 1177 was denied. Pursuant to Joint Rule 309, the bill was taken from committee without a vote.

This bill removes the prohibition on the sale and use of consumer fireworks and establishes a licensing protocol for sellers of consumer fireworks. A seller of consumer fireworks must have a federal and state license and a permit from a municipality. A municipality may adopt an ordinance that allows or prohibits the sale, use or possession of consumer fireworks. A seller of consumer fireworks must be 21 years of age or older and may not have been convicted or found in violation of any state, federal or municipal law, rule or ordinance concerning fireworks or explosives. Consumer fireworks must be stored in a building exclusively used for the storage and sale of fireworks that has met all applicable fire safety, building and zoning codes and municipal ordinances. The Commissioner of Public Safety may adopt rules relative to the use, storage, transportation and display of consumer fireworks. A seller of consumer fireworks may not use misleading advertising and must warn consumers in any advertising to check with the local fire department to see if consumer fireworks are allowed in the community. A person who violates the provisions of this bill is liable for any bodily injury or property damage that results and cannot use certain civil defenses. A violation of the provisions of this bill may result in the seizure of and suspension of a license to sell consumer fireworks and is a Class E crime.

Committee Amendment "A" (S-244)

This amendment, which is the minority report of the committee, clarifies that a law enforcement officer as defined by the Maine Revised Statutes, Title 25, section 2801-A, subsection 5 may enforce any violation of the law related to consumer fireworks rather than only a state or municipal law enforcement officer.
