**PUBLIC 256**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
HAYES SCHNEIDER	OTP-AM	H-330

This bill requires the Secretary of State to maintain a publicly accessible website for the posting of notices of all proposed and adopted rules. It also changes the requirements for public notice of proposed rules in the newspaper with the intention of making the notices shorter. It removes from the newspaper notice the requirement to refer to the statutory or federal authority for the rule and replaces the requirement for the express terms of the proposed rule with a general statement on the substance. The notices posted on the publicly accessible website must meet the original requirements for the notice.

#### **Committee Amendment "A" (H-330)**

This amendment strikes the section from the bill that would have left the publication of adopted rules to the discretion of the agency.

It also changes the requirements for public notice of proposed rules in the newspaper with the intention of making the notices shorter. It removes from the newspaper notice the requirement to refer to the statutory or federal authority for the rule and replaces the requirement for the express terms of the proposed rule with a general statement on the substance. The notices posted on the publicly accessible website must meet the original requirements for the notice.
