Carried Over

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS P		

The purpose of this bill is to increase the efficiency and effectiveness of licensing behavioral health providers by requiring the Department of Health and Human Services to approve and license substance abuse treatment, child and adult welfare and behavioral health agencies, programs and facilities that receive and maintain accreditation by nationally recognized accrediting bodies. The department shall include such an agency, program or facility on any list of approved and licensed agencies, programs and facilities maintained by the department. Notwithstanding an agency's, program's or facility's maintenance of accreditation, the department may revoke the certificate of approval and remove a treatment program or facility from the department's list of approved programs and facilities for failure to provide data, statistics, schedules and other information reasonably required by the department pursuant to the Maine Revised Statutes, Title 5, section 20024. All agencies, programs and facilities may have approval and licensing revoked or modified by the department for findings resulting from the investigation of a critical incident.

This bill was carried over by Joint Order, H. P. 1053 to any special or regular session of the 124th Legislature so that the Health and Human Services Committee may ensure the deeming process moves forward and has a legislative instrument to make this change should the department fail to do so through rule making.
