LD 1283 An Act To Reform the School Budget Validation Process

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WESTON	ONTP	

This bill amends the school budget approval process by allowing a budget to be approved at a school board meeting rather than a district-wide meeting, and then go directly to referendum vote. The bill also changes slightly the wording on the required referendum if a school budget exceeds the maximum state and local spending target.

LD 1287 An Act To Amend the Laws Governing Consolidation of School Administrative Units To Eliminate Penalties, Establish Incentives and Allow Alternative Voting Procedures for Budgets

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAMON	ONTP	

This bill makes several technical and substantive changes to the laws governing the consolidation of school administrative units enacted in 2007 and amended in 2008. The bill converts the penalty system in the current law, which establishes a financial penalty to be applied to those school systems that fail to consolidate if required to, into a financial incentive system that provides a reduced local effort requirement for those school systems that achieve the required consolidation during the first 3 years. The bill also authorizes regional school units to establish a school budget adoption system that is an alternative to the current budget validation referendum process. The alternative system, if approved by the voters of the regional school unit at referendum, would allow the budget to be approved by the voters directly at referendum rather than go through the multi-step approval process whereby the budget needs to be adopted by several local votes in succession. The bill also makes several technical amendments, including:

1. Adding a cross-reference that was inadvertently omitted in existing law so that the towns within any community school districts or school administrative districts that may exist in the future can commit their taxes in the circumstance of a prolonged failure to adopt a school budget, just as is currently available to municipal schools and regional school units; and
2. Clarifying the procedures to be followed during a school budget referendum vote regarding the display of informational material in the polling place and the voting booth.
