**PUBLIC 215**

PERRY A	OTP	

This bill authorizes the Department of Health and Human Services to investigate complaints against unlicensed assistive persons of abuse, neglect or misappropriation of property of a client, patient or resident in a home or health care setting. It requires the Maine Registry of Certified Nursing Assistants to list and include a notation to the unlicensed assistive person's listing on the registry when the department's decision becomes final that a complaint was substantiated. This is a limited expansion of the registry. The bill identifies the information that must be included in registry notations. It requires the department to notify an individual of the right to request a hearing to contest a finding that a complaint was substantiated and gives the individual the right to petition the department to have a finding of neglect removed from the registry if the finding of neglect is a one-time occurrence and there is no pattern of neglect. It identifies unlicensed assistive persons who may not be employed or placed by a licensed, certified or registered agency or facility and authorizes the department to adopt routine technical rules.
