It also repeals the law establishing a rate-setting process for the services of contractors who work for large landowners.

LD 1496 An Act To Protect Benefits for State Retirees

PUBLIC 433
EMERGENCY

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL E		H-581 TUTTLE

This bill ensures that the cost-of-living adjustment to retirement benefits based on any percentage change in the Consumer Price Index does not affect the benefits of state retirees unless that change is an increase in the Consumer Price Index.

House Amendment "A" (H-581)

Like the bill, this amendment is designed to protect state retirees from the impact on retirement benefits of decreases in the Consumer Price Index. This amendment requires that if the Consumer Price Index decreases, the Board of Trustees of the Maine Public Employees Retirement System shall set the percentage change at 0% for that September. The adjustment for the following year must be set based on the actuarially compounded Consumer Price Index for both years in a cost-neutral manner.
