<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PERRY A BRANNIGAN	OTP-AM	H-782

This bill amends the laws governing the rules of the Department of Health and Human Services for medical eligibility for coverage in nursing facilities and for private, nonmedical and board and care institutions, which provide, among other services, residential care services for the aged and disabled. It requires that for both types of facilities, to the extent the department establishes penalties or denies reimbursement when a facility is late or misses a deadline for obtaining an assessment of a resident's need for services, the department may not deny reimbursement and may not impose a penalty greater than 20 percent of total reimbursement unless it is proven that the resident, if timely assessed, would not have been eligible for continuing services.

Committee Amendment "A" (H-782)

This amendment removes from the bill provisions applicable to private, nonmedical and board and care institutions. The amendment requires the department's MaineCare reimbursement rules applicable to nursing facilities to allow 2 late assessment referrals without denial of reimbursement. This amendment also adds an appropriations and allocations section.

This bill also simplifies enforcement of the ban on flavored tobacco products.

This amendment is the majority report of the committee. This amendment revises the bill, which amends existing prohibitions on the sale of flavored tobacco products to make Maine law consistent with the new federal Family Smoking Prevention and Tobacco Control Act. The amendment retains the prohibition on selling flavored nonpremium cigars, while exempting cigars previously exempted by the Attorney General. The amendment deletes the bill's repeal of portions of the current law regarding an Attorney General website and transfer of funds to restore lost revenues to the General Fund.
