Joint Standing Committee on Labor

Enacted Law Summary

Public Law 2009, chapter 473 protects retirees of the Maine Public Employees Retirement System from decreases in retirement benefits due to decreases in the Consumer Price Index. This extends, to multiple years, the number of times a cost-of-living adjustment may be made to recapture actuarial gains lost as a result of a decline in the Consumer Price Index. It ensures cost neutrality for the unusual case where the Consumer Price Index in any year is not sufficient to compensate for it having been below zero the previous year.

An Act To Amend the Unemployment Compensation Laws Regarding Vacation Pay

PUBLIC 638

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PINGREE JACKSON	OTP-AM MAJ ONTP MIN	H-648 S-540 DIAMOND

Under current law, an individual is disqualified from receiving unemployment compensation benefits for various reasons, such as voluntarily leaving work; being discharged for misconduct; refusal to accept work; a work stoppage; falsifying on the work application; conviction of a felony or misdemeanor in connection with his or her work; absence from work due to incarceration; receiving remuneration in the form of "dismissal wages, wages in lieu of notice, terminal pay, vacation pay or holiday pay," or for unemployment benefits received from another state. This bill removes the vacation pay restriction.

Committee Amendment "A" (H-648)

This amendment, which is the majority report of the Joint Standing Committee on Labor, strikes the emergency preamble and the emergency clause from the bill. The amendment also provides funding for the estimated cost of the expansion of unemployment insurance benefits for state agencies that must directly reimburse the Unemployment Trust Fund and adds an appropriations and allocations section to the bill.

Senate Amendment "A" To Committee Amendment "A" (S-540)

This amendment strikes out the appropriations and allocations section.

Enacted Law Summary

Public Law 2009, chapter 638 removes the restriction that disqualifies an individual from receiving unemployment compensation benefits for any week in which the individual receives, is entitled to receive or has received remuneration in the form of vacation pay. It allows executive branch departments and agencies to request transfers from the Salary Plan program for the additional General Fund and Highway Fund costs incurred as a result of the additional unemployment benefits authorized by this law.
