**Resolve, To Repeal the Fee Increase for Copies of Vital Records**

**INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
RAYE	ONTP MAJ OTP-AM MIN	

This resolve directs the Department of Health and Human Services, Maine Center for Disease Control and Prevention, Office of Health Data and Program Management by March 1, 2010 to adopt emergency routine technical rules and then nonemergency routine technical rules to set the fees for obtaining copies of vital records from the office at the same levels as were in effect in September 2009. This resolve did not pass. But see also PL 2009, chapter 571, Part EEE, which rolls back certain vital records fees to their levels as of September 2009 and provides one time funding to the Office of Health Data and Program Management to offset the loss of fees in State FY11.

**LD 1672      Resolve, Regarding the Dispensing of Antiepileptic Drugs**

**RESOLVE 188**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BOWMAN	ONTP MAJ OTP-AM MIN	S-390 S-434 MARRACHE

This bill requires a pharmacist to notify and get consent from the prescriber of an antiepileptic drug for a patient with epilepsy if the drug is switched from one formulation or manufacturer to another.

### **Committee Amendment "A" (S-390)**

This amendment is the minority report of the committee. This amendment provides a new title and replaces the bill. Beginning August 1, 2010 it requires pharmacists to obtain the consent of the practitioner prescribing a prescription drug before substituting a therapeutically equivalent drug when the practitioner has handwritten on the prescription form the words "epilepsy or seizure risk." This amendment provides a repeal date of August 1, 2012.

### **Senate Amendment "A" To Committee Amendment "A" (S-434)**

This amendment replaces Committee Amendment "A" with a resolve that directs a study group to examine substitution within the antiepileptic class of medications, current state laws governing substitutions generally, the powers available to prescribers under current substitution laws and whether there is a need to grant any additional powers to prescribers in this State for any one class of drugs. The study group shall submit its findings in a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters no later than January 15, 2011.
