LD 1651

An Act To Clarify and Amend Laws Pertaining to Licenses Issued by the Department of Inland Fisheries and Wildlife

INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRYANT B	OTP-AM MAJ OTP-AM MIN	

LD 1651 corrects an inconsistency in the fishing license laws resulting from recent fee increases. It clarifies the reporting requirements for agents in order to avoid delinquencies with seasonal agents, and it improves the privacy of Department of Inland Fisheries and Wildlife customers. This bill also allows a person who is eligible for a senior lifetime hunting and fishing license to obtain it at any time in the calendar year that person turns 70 years of age and makes it clear that it includes all stamps, permits and other related permissions.

Committee Amendment "A" (S-407)

This amendment designates e-mail addresses received by the Department of Inland Fisheries and Wildlife through its online licensing and registration service as confidential and make those e-mails confidential retroactive to January 1, 2009. The amendment also provides that a person who obtained e-mail addresses from the department's online licensing and registration service through a request under the freedom of access laws between January 1, 2009 and August 1, 2010 may not distribute or use those e-mail addresses for solicitation, communication or notification purposes. It provides that violations of that provision are civil violations for which a fine of not less than \$500 or more than \$1,000 may be adjudged. This amendment also removes the phrase "is entitled to" as proposed in the bill, retaining the phrase "may obtain" from current law regarding senior lifetime licenses to clarify that licenses and permits issued by the department are a privilege and not a right.

Joint Standing Committee on Inland Fisheries and Wildlife

Senate Amendment "B" To Committee Amendment "A" (S-473)

This amendment provides that e-mail addresses provided to the Department of Inland Fisheries and Wildlife by its customers through its online licensing and registration system are public records unless a customer indicates at the time of the online transaction that the customer's e-mail address is confidential. It also provides that an e-mail address provided to the department by a customer through its online licensing and registration system before April 2, 2010 that was obtained by a person through a request for information may not be used for solicitation, communication or notification purposes and that a violation of this provision is a civil violation for which a fine of not less than \$500 or more than \$1,000 may be adjudged.
