**MAJORITY

BEAUDOIN SULLIVAN	ONTP MAJ OTP-AM MIN	

This resolve requires the Legislature to hire a consultant to update "Feasibility Study of a Single-payor Health Plan Model for the State of Maine," originally completed in 2002.

**Committee Amendment "A" (H-47)**

This amendment is the minority report of the committee and replaces the resolve. The amendment requires the Legislature to hire a consultant to update the "Feasibility Study of a Single-payor Health Plan Model for the State of Maine," originally completed in 2002. The amendment also requires that the updated study include an analysis of the impact of the federal Patient Protection and Affordable Care Act on state legislation to establish a single-payor health care system and of the costs and impact of using a single-payor health plan design similar to the design proposed for the State of Vermont. The amendment also provides funding for the updated study through a federal grant awarded to the State rather than the General Fund.

Committee Amendment "A" was not adopted.

**An Act To Extend Coverage under the State's Mini-COBRA Law**

**MAJORITY  
(ONTP) REPORT**

Current state law, which applies to employers with fewer than 20 employees, allows the employee to continue coverage for up to 12 months. This bill extends the availability of coverage up to 36 months for those eligible under state law and, to the extent possible, for those eligible under federal law. The bill also provides a special enrollment period for those employees who have exhausted coverage under existing law but who would otherwise be eligible to continue coverage for an additional period.

**Committee Amendment "A" (H-48)**

This amendment is the minority report of the committee and replaces the bill. Current state law, which applies to employers with fewer than 20 employees, allows the employee to continue coverage at their own expense for up to 12 months. This amendment extends the availability of coverage from 12 months to 18 months for those employees eligible under state law. The amendment also removes the requirement that those employees who are permanently
