**Resolve, Directing the Commissioner of Education To Adopt a Policy
Regarding Management of Head Injuries in Youth Sports**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PILON ALFOND	ONTP	

This resolve was carried over from the First Regular Session of the 125th Legislature. The resolve directs the Commissioner of Education to adopt a policy for schools in Maine on the management of head injuries in school athletic activities. The policy must include information, protocols and forms and requirements for removing from an athletic practice, game or activity a student suspected of having sustained a head injury and for banning that student from participation for that day and until the school has received written clearance for the student to resume participation. The resolve requires schools to adopt a policy on management of head injuries and to implement the policy beginning January 1, 2012. The resolve allows the sharing of policies, information, training, protocols and forms with statewide and local organizations that sponsor sports and athletics.

While this resolve was not enacted, the Joint Standing Committee on Education and Cultural Affairs reported out LD 1873, which was enacted as Public Law 2011, chapter 688 and contained similar provisions to address the management of head injuries in school activities and athletics.

LD 627

An Act To Expand the Capacity of York County Community College

PUBLIC 667

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BELIVEAU LANGLEY	OTP-AM	H-699 S-594 ROSEN R

This bill was carried over from the First Regular Session of the 125th Legislature. The bill, which is a concept draft pursuant to Joint Rule 208, proposes to amend the current law to expand the capacity of York County Community College due to its doubled student enrollment in the past five years.

Committee Amendment "A" (H-699)

This amendment strikes and replaces the bill to establish the Integrated Manufacturing Program Fund within the Maine Community College System to support the education and training of the manufacturing workforce in the State. The amendment provides one-time funding and ongoing funding from the General Fund and requires the Maine Community College System to seek funds from the public and private sectors for deposit into the fund. The amendment also provides that the disbursement of funds in fiscal years 2012-13 to 2016-17 must be provided to expand the capacity of the integrated manufacturing program at York County Community College.

The amendment further provides that the Legislature may not reduce General Fund appropriations to the Department of Education, the University of Maine System, the Maine Community College System or the Maine Maritime Academy in fiscal year 2012-13 to fund the Integrated Manufacturing Program Fund. The amendment also adds an appropriations and allocations section.
