The bill proposes the identification of the types of services provided by state employees that could be provided more effectively and with reduced cost by privately contracted services. The bill proposes to explore the practices of other states and identify private contracting practices that are effective and the actions that would be necessary to achieve similar benefits in Maine.

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CLARK T	OTP-AM MAJ ONTP MIN	H-108

This bill repeals the Informed Growth Act.

Committee Amendment "A" (H-108)

This amendment, which is the majority report of the committee, replaces the bill and makes the following changes to the Informed Growth Act.

1. It provides that the provisions of the Informed Growth Act do not apply to a municipality unless the municipality adopts an ordinance that adopts by reference the Informed Growth Act.
2. It provides that municipalities that are subject to the Informed Growth Act by the adoption of such an ordinance receive the fee directly from the developer for the comprehensive economic impact study rather than through the Executive Department, State Planning Office and determine the amount of the fee.
3. The definition of "undue adverse impact" is amended to mean that the estimated overall negative effects outweigh the positive effects and removes the requirement that the estimated negative effects of at least two of the factors considered in the study outweigh the positive effects on those factors.
4. It provides that the municipality may determine which factors are considered in the comprehensive economic impact study.
