LEGISLATIVE DIGEST OF BILL SUMMARIES AND  
ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* summarizes all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 125<sup>th</sup> Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

**Committee Amendment "A" (H-142)**

This amendment requires that the site on which a crematorium is to be constructed be owned by Oak Grove Cemetery rather than owned by Oak Grove Cemetery or the City of Gardiner, as proposed in the bill.

**Senate Amendment "B" (S-131)**

This amendment authorizes the construction and operation of a crematorium in Steuben on land that meets the statutory criteria except that the cemetery has not included the full 20 acres for the full 2 years required under current law as interpreted by the Department of Health and Human Services.

**Enacted Law Summary**

Current law allows crematoriums to be built only in cemeteries with 20 or more acres of land and that have been in existence and used for burial for at least two years preceding the construction of the structure. Private and Special Law 2011, chapter 10 authorizes the construction of two crematoriums that do not meet the statutory criteria. It authorizes the Oak Grove Cemetery in Gardiner to construct a crematorium on land that it owns, is in an area zoned for industrial or commercial use or zoned as rural in the greater Gardiner area and on land smaller than 20 acres but larger than 3 acres. It also authorizes the construction and operation of a crematorium in Steuben on land that meets the statutory criteria except that the cemetery has not included the full 20 acres for the full 2 years required.

Private and Special Law 2011, chapter 10 was enacted as an emergency measure effective May 31, 2011.

Amendments Adopted

S-129

This bill allows a health care provider or health care facility or clinic that dispenses benefits of the Women, Infants and Children Special Supplemental Food Program of the federal Child Nutrition Act of 1966 approved by the Department of Health and Human Services to perform in-office blood lead analyses under the Lead Poisoning Control Act.

**Committee Amendment "A" (S-129)**

This amendment adds Head Start facilities to the facilities that may analyze a child's blood sample for blood lead level as long as the facility meets the requirements of the Department of Health and Human Services. The amendment repeals the Maine Revised Statutes, Title 22, section 1319-A and reorganizes its contents as section 1319-D for easier reading.

**Enacted Law Summary**

Public Law 2011, chapter 183 allows a health care provider or health care facility or clinic that dispenses benefits of the Women, Infants and Children Special Supplemental Food Program of the federal Child Nutrition Act of 1966 or Head Start facilities that are approved by the Department of Health and Human Services to perform in-office blood lead analyses under the Lead Poisoning Control Act.
