This bill makes changes to the State's public pension laws to improve the financial condition of the Maine Public Employees Retirement System. For the next 6 years, the bill increases the amount of contributions to the Maine Public Employees Retirement System made by state employees and teachers by 1% of earnable compensation. The bill also reduces for 6 years the cost-of-living adjustments for retirement benefits by 50% for persons with annual pensions greater than \$25,000 but not greater than \$45,000 and suspends for 6 years cost-of-living adjustments for persons with annual pensions greater than \$45,000. Persons with pensions of \$25,000 or less continue to receive cost-of-living adjustments. The bill provides for a review of these changes during the 128th Legislature.
