Joint Standing Committee on Education and Cultural Affairs

This amendment is the majority report of the Joint Standing Committee on Education and Cultural Affairs. The amendment replaces the bill.

1. It requires the administrator of an individual school health plan or a group plan covering a multiple-school group to seek competitive bids at least once every five years. The amendment requires that the administrator of any such group plan must make the competitive bids available to individual school administrative units upon request.
2. In recognition of the fact that the premium rates for the plan year starting July 1, 2011 have already been set, the amendment requires the Maine Education Association Benefits Trust to review the current benefits option and consider creating a new benefits option with a lower premium rate for the 2012 plan year or a subsequent plan year.
