This bill allows law enforcement officers, corrections officers or corrections supervisors to possess a knife that has a blade that opens automatically by hand pressure applied to a button, spring or other device in the handle of the knife, or a knife having a blade that opens or falls or is ejected into position by the force of gravity or by an outward, downward or centrifugal thrust or movement.

LD 495

**An Act To Allow a Person Charged with or Convicted of Violating a
Protection from Abuse Order To Be Supervised by an Electronic
Tracking System**

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROSEN K ROSEN R	ONTP	

The bill amends the provision regarding conditions of release for preconviction bail by establishing as a condition of bail for a person charged with violating a protection from abuse order under the Title 19-A, section 4011, subsection 1 that the person submit to supervision by an electronic tracking device with specific features.

1. The electronic tracking device must immediately notify law enforcement officers or other monitors of any breach by the offender of a court-ordered restriction to remain within certain physical boundaries;
2. The electronic tracking device must notify the victim as soon as practicable of any breach;
3. The electronic tracking device must allow law enforcement officers and other monitors to speak to the offender through a cellular phone built into the electronic tracking device; and
4. The electronic tracking device must have a loud alarm that can be activated to warn the victim of the offender's presence in an area from which the offender is forbidden.

The bill also authorizes a court to impose as part of the sentencing alternative for a person convicted of violating a protection from abuse order that the person, while on probation, submit to supervision by an electronic tracking device with the same special features.
