This bill requires out-of-state retailers that are not required to collect sales tax and that are part of a controlled group of corporations with a connection in the State to notify purchasers in the State of the obligation to pay sales or use tax and requires those retailers to provide annual statements of purchases to the purchasers and the Department of Administrative and Financial Services, Maine Revenue Services. Fines are provided for failure to provide the required notifications and statements.

FLEMINGS ALFOND	OTP-AM	H-475

This bill simplifies the Maine Residents Property Tax Program, also referred to as "the Circuitbreaker Program," by simplifying the determination of eligibility, transitioning the application period to the income tax filing period and permitting application to be made through the Department of Health and Human Services' integrated eligibility system. The bill requires the State Tax Assessor to report to the joint standing committee of the Legislature having jurisdiction over taxation matters by January 15, 2014 on the impact of the changes made by this bill.

**Committee Amendment "A" (H-475)**

This amendment replaces the bill. It prohibits a reduction in benefit under the Circuitbreaker Program to an elderly household claimant with a household member who has attained 65 years of age and chooses the nonelderly household benefit calculation. The benefit for claimants meeting these criteria may not be reduced below 100%. The amendment retains the emergency provisions from the bill.

This bill was placed on the Special Appropriations Table and died on adjournment.
