LD 468 An Act To Amend the Laws Governing Bear Hunting

PUBLIC 309

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WOOD	OTP-AM MAJ ONTP MIN	H-443

This bill amends the bear hunting and trapping laws as follows:

1. It shifts the open season for hunting bears with dogs back one week to reduce the overlap with the open season on hunting bears without dogs;
2. It prohibits a person from establishing a bait site on another person's land without first having the written permission of the landowner;
3. It provides that a person may not train dogs on bear within 7 days of the starting date of the open hunting season on bear. Current law allows a person to train dogs on bear through the first day of open season on bear; and
4. It increases the bag limit on bear to 2 bears by allowing a person to kill one bear during the open hunting season on bear and another by trapping.

Committee Amendment "A" (H-443)

This amendment removes language from the bill regarding the hunting season on bears using dogs and establishing bait sites on another person's land without written permission. The written permission to place bait was addressed in LD 559. It also changes the day before the open bear season a person can train dogs on bear from the 8th day to the 4th day.

Enacted Law Summary

Public Law 2011, chapter 309 changes the bear hunting and trapping laws as follows:

1. It provides that a resident may train dogs on bear to the 4th day preceding the open hunting season on bear. Current law allows a person to train dogs on bear through the first day of open season on bear; and
2. It increases the bag limit on bear to 2 bears by allowing a person to kill one bear during the open hunting season on bear and another by trapping.
