An Act To Require All Kennels Engaged in Breeding To Be Licensed and Inspected by the State

LEAVE TO WITHDRAW

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TIMBERLAKE	LV/WD	

LD 491 amends the definitions of "breeding kennel" and "kennel" in the animal welfare laws. It requires a person keeping 5 or more dogs, wolf hybrids or cats that are capable of breeding to obtain a license as a breeding kennel from the Department of Agriculture, Food and Rural Resources. It clarifies that a person maintaining a licensed breeding kennel is not required to obtain a municipal kennel license and is not subject to inspection by an animal control officer. It requires a person with a municipal kennel license to obtain a vendor's license to sell more than one dog or cat per year.

LD 514

An Act Regarding Conveyance of Easements across Railroad Rights-of-way

PUBLIC 278

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAVIELLO	OTP-AM	S-183

LD 514 allows the Department of Conservation, Bureau of Parks and Lands and the Land For Maine's Future Board to sell or convey easements across rail trails without legislative approval.

Committee Amendment "A" (S-183)

This amendment revises the proposed authority of the Director of the Bureau of Parks and Lands within the Department of Conservation to convey a right of access by easement across a rail trail.

Enacted Law Summary

Public Law 2011, chapter 278 requires the director to notify interested parties at least 30 days prior to conveying a right of access across railroad rights-of-way by easement. The definition of interested parties includes Legislators. Chapter 278 provides an opportunity for a Legislator to object to a proposed conveyance and necessitates review by the legislative committee of jurisdiction if an objection is received.

Chapter 278 requires an access easement to contain terms ensuring the safety, maintenance and continuity of the rail trail and protection of the public investment and specifies that a negotiated exchange of value may include improvements to the rail trail and that proceeds from the sale of a right of access by easement must be deposited into the Maine State Parks and Recreational Facilities Development Fund.
