with regard to their right to receive information about trusts.

Chapter 42 amends the Maine Uniform Trust Code with language added to the approved draft of the Uniform Trust Code by the National Conference of Commissioners on Uniform State Laws after the Maine Uniform Trust Code was adopted to clarify that a creditor may reach or compel distribution of the interest of a beneficiary who also serves as trustee when the trustee's discretion to make distributions for the trustee's own benefit is limited by an ascertainable standard, but only to the extent the interest would be subject to the creditor's claim were the beneficiary not acting as trustee or cotrustee.

Chapter 42 repeals and replaces Title 18-B, section 506 to insert a new subsection 1, retaining the current language as a new subsection 2 to clarify that the term "mandatory distribution" is to be understood in its traditional sense. Chapter 42 adds a new subsection to Title 18-B, section 813 to clarify that whether or not a settlor has capacity to revoke a trust, the trustee's duties to inform and report under section 813 are owed exclusively to the settlor.
