LD 643 An Act To Protect Public Safety in the Operation of Casinos

**PUBLIC 469
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAREY	OTP-AM	H-547 S-368 ROSEN R

This bill is a concept draft pursuant to Joint Rule 208. It was carried over from the First Regular Session of the 125th Legislature. It proposes to amend the laws governing the oversight of the casino eligible to be licensed in Oxford County that are determined to be incomplete or inconsistent with existing laws and rules in other states that authorize the operation of casino gambling.

Committee Amendment "A" (H-547)

This amendment replaces the bill, which was a concept draft. The amendment includes an emergency preamble and clause. The amendment requires the Department of Public Safety, Gambling Control Board to adopt emergency major substantive rules governing the oversight of the operation of table games at a casino. The rules must ensure that bets on table games are not made with cash and that the exchange of cash for chips, tokens or other items of value is done in a manner that can provide a thorough audit. The amendment requires the board to report on the process for developing rules that govern the rules of play for table games. The amendment changes current law to provide that license and application fees collected by the board go to a dedicated account for the administration of the board rather than to the General Fund.

Senate Amendment "A" To Committee Amendment "A" (S-368)

Committee Amendment "A" requires fees collected from slot machine operators and casinos to be deposited in the Administrative Expenses Other Special Revenue Funds account within the Department of Public Safety, Gambling Control Board instead of in the General Fund. This amendment exempts the fees associated with a casino located in Oxford County and a slot machine facility licensed as such as of January 1, 2011, from that requirement for fiscal years 2011-12 and 2012-13 only and requires those fees from that casino and that slot machine facility to be deposited in the General Fund.

Enacted Law Summary

Public Law 2011, Chapter 469 requires the Department of Public Safety, Gambling Control Board to adopt emergency major substantive rules governing the oversight of the operation of table games at a casino. The rules must ensure that bets on table games are not made with cash and that the exchange of cash for chips, tokens or other items of value is done in a manner that can provide for a thorough audit. This law requires the board to report on the process for developing rules that govern the rules of play for table games. It also changes current law to provide that future license and application fees collected by the board go to a dedicated account for the administration of the board rather than to the General Fund, except for fiscal years 2011-12 and 2012-13, when those fees will be deposited into the General Fund.

LD 643 was enacted in the First Regular Session of the 125th Legislature but was held by the Governor. It became law in the Second Regular Session as an emergency measure effective January 9, 2012.
