**Joint Standing Committee on State and Local Government**

This resolution proposes to amend the Constitution of Maine to require that a candidate for Governor receive more than 50% of the votes cast to be elected. Currently, the candidate who receives the largest number of votes, regardless of that number's percentage of the total number of votes cast, becomes Governor. This resolution requires a run-off election between the two persons who received the largest number of votes when no candidate received more than 50% of the total number of votes cast. The person who receives the larger number of votes in the run-off election is declared Governor.

This amendment, which is the minority report of the committee, incorporates a fiscal note.
