***Joint Standing Committee on Inland Fisheries and Wildlife***

This bill creates an apprentice trapper license. An apprentice trapper license allows a person who has never held a trapping license to go trapping with an experienced trapper for up to one year without having to take a trapper education course. The holder of an apprentice trapper license must, while trapping, be under the direct supervision of an experienced trapper at all times. An apprentice trapper license allows a person to trap for all species that may be legally trapped, except black bear. The fee for an apprentice trapper license is the same as for a regular trapping license.
