An Act To Amend the Laws Relating to Group Trusts Established by Group Self-insurers of Workers' Compensation Benefits

PUBLIC 98

Sponsor(s)	Committee Report	Amendments Adopted
BECK SULLIVAN	OTP-AM	H-103

This bill provides that if a member of a group self-insurer for workers' compensation benefits terminates membership in the group, that member is entitled to share in the release of surplus funds from the trust established by the group self-insurer if funding by that member to the 95% confidence level occurs within one year. The bill clarifies that while a trust is responsible for payment of a departing member's liabilities, the trust is not required to set aside additional trust assets for that exposure.

Committee Amendment "A" (H-103)

This amendment clarifies that while a trust is responsible for payment of a departing member's liabilities, the trust is not required to set aside additional trust assets for that exposure. The amendment requires that, if the Superintendent of Insurance finds there is a material risk to the trust's ability to satisfy its liabilities and obligations due to the failure of one or more departing members to fund their proportionate share of exposure or to the failure of the group trust to enforce the funding requirement, the superintendent shall consider any unfunded amount when approving a determination of a group trust's surplus or deficit.

Enacted Law Summary

Public Law 2011, chapter 98 clarifies the responsibility of a workers' compensation group self-insurance trust for payment of a departing member's liabilities. The law makes it clear that a trust is responsible for payment of a departing member's liabilities, but provides that the trust is not required to set aside additional trust assets for that exposure. The law requires that, if the Superintendent of Insurance finds there is a material risk to the trust's ability to satisfy its liabilities and obligations due to the failure of one or more departing members to fund their proportionate share of exposure or to the failure of the group trust to enforce the funding requirement, the superintendent shall consider any unfunded amount when approving a determination of a group trust's surplus or deficit.

LD 783 An Act To Amend the Laws Governing Captive Insurance Companies

ONTP

Sponsor(s)	Committee Report	Amendments Adopted
RICHARDSON W	ONTP	
RAYE		

This bill amends the chapter of the Maine Insurance Code governing captive insurance companies to make clear that in the event of any conflict between the provisions of other state insurance laws and the provisions of the laws governing captive insurance companies, the provisions of the captive insurance company laws control. The bill places a cap on the unimpaired paid-in capital and surplus of an association captive insurance company and provides that rules adopted by the Superintendent of Insurance to implement the laws governing captive insurance companies are major substantive rules.

While LD 783 was voted "Ought Not to Pass", a related substantive provision relating to captive insurance companies was included in LD 1333, An Act to Modify Rating Practices for Individual and Small Group Health
