**An Act To Amend the Process of Federal Aviation Administration
Airport Improvement Program Grants**

PUBLIC 351

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WILLETTE M FARNHAM	OTP-AM	H-193 H-479 CEBRA

This bill requires that, for projects receiving both federal and state aid under the Federal Aviation Administration's airport improvement program, state aid funds must be administered in accordance with federal requirements for federal aid. This bill authorizes the Department of Transportation, through the major substantive rule process, to adopt additional requirements in addition to the federal requirements.

Current law provides that the Commissioner of Transportation must approve any project and project application for a request for federal aid under the federal Airport and Airway Development Act of 1970's airport improvement program before it is submitted to the Federal Aviation Administration by a municipality or other political subdivision of this State. This bill clarifies that a municipality or other political subdivision operating an airport that has at least 10,000 passenger boardings per year in this State may discuss federal aid with the Federal Aviation Administration for purposes of planning and developing a project application.

Committee Amendment "A" (H-193)

This amendment strikes those sections of the bill that require state aid funds for airport development projects receiving both federal and state funds under the Federal Aviation Administration's airport improvement program to be administered in accordance with federal law and allow a municipality or other political subdivision to discuss federal aid with the Federal Aviation Administration.

The amendment provides that the Department of Transportation is not responsible for aiding and assisting municipalities and other political subdivisions in the maintenance and operation of their public airports. The amendment also repeals the requirement in current law that the department aid and assist in the repair of, maintenance of and removal of snow from municipal, state and county airports.

This amendment also requires the department to administer the Primary Airport Capital Improvement Grant Program, which the amendment establishes. The amendment requires the department to distribute available state
