LEGISLATIVE DIGEST OF BILL SUMMARIES AND
ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* summarizes all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 125th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

Resolve, To Foster Energy Efficiency Improvements and Other Needed Renovations at Residential Care Facilities Funded by MaineCare

**RESOLVE 106
EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROSEN R	OTP-AM	H-371 FITTS S-127

This resolve requires the Department of Health and Human Services to amend its rules regarding residential care facilities funded by MaineCare to provide that fixed or capital cost reimbursement for new construction, acquisitions, equipment, renovations or other improvements when the aggregate capital expenditure does not exceed \$350,000 in one fiscal year does not require prior approval. Capital expenditures for energy efficiency improvements, for replacement equipment, for information systems, for communications systems and for parking lots and garages must be excluded from the cost of the project in determining whether it is subject to review and prior approval. When capital costs subject to review exceed \$350,000 in one fiscal year, facilities must submit plans, financial proposals and projected operating costs to the department for approval in order for costs to be reimbursed.

Committee Amendment "A" (S-127)

This amendment incorporates a fiscal note.

House Amendment "A" (H-371)

This amendment requires that rules adopted by the Department of Health and Human Services must provide that, in order for a cost reimbursement for an energy efficiency improvement to be provided, the energy efficiency improvement must be identified as cost-effective in an energy audit or be determined to be cost-effective by the Efficiency Maine Trust.

Enacted Law Summary

Resolve 2011, chapter 106 requires the Department of Health and Human Services to amend its rules regarding residential care facilities funded by MaineCare to provide that fixed or capital cost reimbursement for new construction, acquisitions, equipment, renovations or other improvements when the aggregate capital expenditure does not exceed \$350,000 in one fiscal year does not require prior approval. Capital expenditures for energy efficiency improvements, for replacement equipment, for information systems, for communications systems and for parking lots and garages must be excluded from the cost of the project in determining whether it is subject to review and prior approval.
