LD 823 An Act To Amend the Law Governing Tax Increment Financing Districts PUBLIC 287

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
ROCHELO HOBBINS	OTP-AM MAJ ONTP MIN	H-460

This bill changes the definition of "original assessed value" related to municipal development districts from the "assessed value" of the district to the "taxable assessed value" of the district. The bill repeals the requirement that a project financed through municipal bonded indebtedness must be completed within 5 years of the commissioner's approval of the designation of the tax increment financing district. It allows municipalities that choose to use tax increment financing to cover costs related to economic development to use the funds for grants in addition to revolving loan funds and investment funds. It increases the maturity date on the bonds that a municipality may authorize to finance project costs from 20 to 30 years from the date of issuance.

Committee Amendment "A" (H-460)

This amendment replaces the bill and changes the requirement, repealed in the bill, that a project financed through municipal bonded indebtedness must be completed within 5 years of the commissioner's approval of the designation of the tax increment financing district by extending the period for completion to 8 years.
