License**

PUBLIC 252

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KNIGHT SAVIELLO	OTP-AM	H-345

Joint Standing Committee on Inland Fisheries and Wildlife

Current law allows a super pack license holder to receive an antlerless deer permit and to have an opportunity to enter an antlerless deer permit lottery pursuant to the Maine Revised Statutes, Title 12, section 11152. This bill removes the provision that gives a person holding a super pack license the opportunity to enter an antlerless deer permit lottery thus limiting the number of antlerless deer permits a person holding a super pack license may have to one.

Committee Amendment "A" (H-345)

This amendment replaces the bill. It provides that the holder of a super pack license who receives an antlerless deer permit pursuant to that license is not eligible to obtain a permit in the regular antlerless deer permit lottery. It also delays the effective date of the legislation until January 1, 2012.

Enacted Law Summary

Current law allows a super pack license holder to receive an antlerless deer permit and to have an opportunity to enter an antlerless deer permit lottery pursuant to the Maine Revised Statutes, Title 12, section 11152. Public Law 2011, chapter 252 provides that the holder of a super pack license who receives an antlerless deer permit pursuant to that license is not eligible to obtain a permit in the regular antlerless deer permit lottery.
