**An Act To Make Changes to Boards and Commissions Concerning Membership, Appointments and Terms**

**DIED BETWEEN HOUSES**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
VALENTINO	OTP-AM MAJ ONTP MIN	

This bill makes the following changes to boards and commissions established by the Legislature.

1. The suggested legislation currently required by law to be submitted by the Secretary of State to the joint standing committee of the Legislature having jurisdiction over state government matters must include provisions to repeal any board that has had vacancies in 2/3 or more of its membership for more than one year. The number of vacancies and the length of those vacancies are already included in the annual report from each board to the Secretary of State.
2. A member whose appointed term has expired and for whom no replacement member has been appointed may serve no more than an additional 12 months without formal reappointment.
3. A member of a board may serve no more than four terms on that board or the number of terms as provided by the statute governing the board, whichever is less.
4. The clerk of a board shall notify the Secretary of State of vacancies. The Secretary of State shall post all vacancies on a publicly accessible website. The posting must include brief information about the board, the requirements for the member, the length of the member's term and contact information for the appointing authority.

**Committee Amendment "A" (H-182)**

This amendment strikes the section of the bill that requires the Secretary of State to include in suggested legislation repeal of a board with vacancies in 2/3 or more of its membership. It also removes the section relating to term limits. The amendment requires that the Secretary of State post an annual report of appointments and reappointments to boards and commissions rather than a continuously updated list of vacancies. It also specifies that members of boards and commissions with expired terms may serve for 12 months after September 1, 2011 without being appointed to another term.

**An Act To Increase Access to State Rule-making Notices**

**DIED ON ADJOURNMENT**

HAYES	OTP-AM	H-445

This bill eliminates the requirement that the Secretary of State publish proposed and adopted rules in the newspaper beginning July 1, 2012. It requires the Department of Administrative and Financial Services to issue a contract to provide a website for rulemaking notices in accordance with the competitive bid process pursuant to the Maine Revised Statutes, Title 5, chapter 155. The website must be fully operational no later than July 1, 2012.
