Joint Standing Committee on Inland Fisheries and Wildlife

This bill allows the Department of Inland Fisheries and Wildlife to authorize private landowners to hunt on Sunday on their own land if they own 20 or more acres and the land is open to hunting by the public. A landowner must register with the Department of Inland Fisheries and Wildlife. The department shall adopt rules to implement a Sunday hunting permit system. The fee for a Sunday hunting permit may not exceed \$25.

Committee Amendment "A" (H-587)

This amendment is the minority report of the committee. Instead of allowing Sunday hunting for landowners on their own land for deer only, the amendment allows the Commissioner of Inland Fisheries and Wildlife to establish rules to permit Sunday hunting for such landowners for any species during the open season for that species.

LD 927 An Act To Change the Coyote Night Hunting Law PUBLIC 216

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON D	ONTP MAJ OTP-AM MIN	H-246 H-290 SARTY

This bill provides for the night hunting of coyotes throughout the year.

Committee Amendment "A" (H-246)

This amendment is the minority report. It extends the current night hunting season on coyotes from December 16th to one week before the regular firearm hunting season on deer established under the Maine Revised Statutes, Title 12, section 11401. The bill would have allowed night hunting year-round.

House Amendment "A" To Committee Amendment "A" (H-290)

This amendment removes language from Committee Amendment "A" that allows night hunting for coyotes to the week before the open firearm season on deer. This amendment also authorizes the Commissioner of Inland Fisheries and Wildlife to appoint agents to hunt for coyotes at night using artificial illumination during the period of time when hunting for coyotes at night is currently prohibited. It directs the commissioner to develop policies to notify the affected public and affected law enforcement officers about any night hunting operations.

Enacted Law Summary

Public Law 2011, chapter 216 authorizes the Commissioner of Inland Fisheries and Wildlife to appoint agents to hunt for coyotes at night using artificial illumination during the period of time when hunting for coyotes at night is currently prohibited. It also directs the commissioner to develop policies to notify the affected public and affected

PUBLIC 437

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
TIMBERLAKE	OTP-AM MAJ ONTP MIN	H-364 H-426 DAVIS

This bill allows a nonresident who is a resident of the State of New Hampshire and who has registered a snowmobile in New Hampshire to operate that snowmobile in this State. This bill was carried over to any special and/or regular session of the 125th Legislature by joint order, H.P. 1190.

Committee Amendment "A" (H-364)

This amendment replaces the bill. It provides that the Commissioner of Inland Fisheries and Wildlife may establish a 3-day period, including 2 weekend days, in which a nonresident may snowmobile in this State without being registered in this State if the nonresident's state of residency allows a snowmobile registered in Maine to operate in that state for an equivalent or greater period of time without being registered.

This amendment adds a provision that repeals the reciprocity provisions in the bill on October 1, 2013.
