Resolve, To Direct the Department of Education To Review the Essential Programs and Services Model

Carried Over

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON P THOMAS		

This resolve directs the Department of Education to have an independent agency not previously involved with the essential programs and services funding formula review the essential programs and services model to analyze the impact of its implementation on children from economically disadvantaged areas, the funding shifts experienced by small rural schools and the result of the regional salary adjustment variable and the economically disadvantaged student variable on the equity of the distribution of state aid to municipalities for education and to provide a report to the Joint Standing Committee on Education and Cultural Affairs by December 1, 2011. The joint standing committee is authorized to submit a bill relating to the report to the Second Regular Session of the 125th Legislature.

LD 958 was removed from the Special Appropriations Table and recommitted to the Committee on Education and Cultural Affairs.

This resolve was carried over to any special and/or regular session of the 125th Legislature by joint order, H.P. 1190.

Committee Amendment "A" (H-604)

This amendment replaces the resolve to direct the Department of Education to enter into a contract for an independent review of the Essential Programs and Services Funding Act through a request for proposal process that awards a contract to a qualified research entity. The department is required to provide a report of the results of the independent review to the joint standing committee of the Legislature having jurisdiction over education and cultural affairs by January 31, 2013. The joint standing committee is authorized to submit a bill relating to the report to the First Regular Session of the 126th Legislature. The amendment also adds an appropriations and allocations section.

Resolve, Directing the Department of Education To Provide Curriculum Consistency in Maine Public Schools

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
JOHNSON P	ONTP	

This resolve is a concept draft pursuant to Joint Rule 208. The resolve proposes to direct the Department of Education to provide a model curriculum to all elementary and secondary schools that meets the requirements of the comprehensive, statewide system of learning results and the Common Core Standards in English language arts and mathematics for kindergarten to grade 12 established in common with the other states as established in the Maine Revised Statutes, Title 20-A, section 6209. The model curriculum should span 80% of the school year, leaving 20% of the school year for schools to raise the standards of or to modify and improve the curriculum to meet local requirements and standards.
