LD 1055 **An Act Regarding the Computation of Workers' Compensation Rates
Based on Past Claims** **ONTP**

FITZPATRICK WHITTEMORE	ONTP	

Under current law, an employer is placed in a high-risk pool if the employer has at least two lost-time claims, each greater than \$10,000 of incurred loss during the previous three-year experience rating period. This bill increases the incurred loss amount from \$10,000 to \$40,000.

LD 1056 **An Act To Increase the Availability of Independent Medical Examiners
under the Workers' Compensation Act of 1992** **PUBLIC 215
EMERGENCY**

HAMPER GOODALL	OTP-AM	H-204 H-279 TUTTLE

Under current law, if a physician has examined an employee of a company at the request of an insurance company, employer or employee in accordance with the Maine Revised Statutes, Title 39-A, section 207 during the previous 52 weeks then that physician is not eligible to be an independent medical examiner. This bill amends the law by limiting the 52-week prohibition to a prohibition against the examination of a specific employee who previously has been examined by the physician.

Committee Amendment "A" (H-204)

This amendment replaces the bill. It specifies that health care providers who examine injured workers at the request of an employer in accordance with the Maine Revised Statutes, Title 39-A, section 207 are limited to 12 such examinations per calendar year. It adds the requirement that independent medical examiners be certified in the field of practice of the injury by a board recognized by the American Board of Medical Specialties or the American Osteopathic Association. It clarifies that an independent medical examiner may not be assigned to an injured worker if the independent medical examiner has previously examined the worker or has been closely affiliated with the insurance company at any time during the preceding 52 weeks unless there is no other physician reasonably available. The amendment requires that an independent medical examiner that examines an injured worker at the request of the employer in accordance with Title 39-A, section 207 notify the Workers' Compensation Board of the name of the employee, the employer or the insurer that requested the examination and the date of the examination within 10 days of the date of the examination. The amendment also requires that the board submit a report that includes findings and recommendations by January 15, 2013 to the joint standing committee of the Legislature having jurisdiction over workers' compensation matters regarding the board's review of the selection process of independent medical examiners and the number of independent medical examiners who have examined injured workers at the request of employers or insurers. The joint standing committee is authorized to introduce a bill related to the board's report to the First Regular Session of the 126th Legislature. The amendment adds an emergency preamble and emergency clause.

House Amendment "A" To Committee Amendment "A" (H-279)

This amendment clarifies that an independent medical examiner chosen by an employer to conduct an examination
