LD 1058 Resolve, To Create a Mitigation Fund for Damage Caused by Unauthorized All-terrain Vehicle Use on Private Land MAJORITY (ONTP) REPORT

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| SHAW | ONTP MAJ OTP-AM MIN | |

This resolve requires the Department of Conservation and the Department of Inland Fisheries and Wildlife to jointly develop recommendations to establish and fund a mitigation fund for damage caused by unauthorized all-terrain vehicle use on private land. The recommendations, along with any necessary implementing legislation, must be submitted to the Joint Standing Committee on Inland Fisheries and Wildlife by January 1, 2012.

Committee Amendment "A" (H-523)

This amendment is the minority report. It replaces the resolve and provides that a person convicted of a violation of an ATV-related prohibition must be assessed a surcharge that is 10% of the fine assessed as a result of that violation in addition to the fine. It also creates the All-terrain Vehicle Mitigation Fund to help private landowners mitigate damage caused to their property by ATV use. Revenue generated by the 10% surcharge for violations of an ATV-related law must be deposited into the fund.
