Joint Standing Committee on State and Local Government

LD 1125

An Act To Implement the Recommendations of the Joint Standing Committee on State and Local Government To Make Necessary Changes to the Maine Administrative Procedure Act

PUBLIC 244

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BOLAND THOMAS	OTP-AM	H-334

This bill implements the statutory recommendations of the Joint Standing Committee on State and Local Government resulting from its study of the Maine Administrative Procedure Act pursuant to Resolve 2009, chapter 207. This bill clarifies that a provisionally adopted major substantive rule submitted for legislative review after the statutory deadline for submission may not be finally adopted unless legislation authorizing its adoption is enacted into law or the agency follows the procedure under the Maine Revised Statutes, Title 5, section 8072 as amended in this bill and the Legislature fails to act. This bill also specifies that an emergency rule must include the agency's findings with respect to the existence of an emergency in a section labeled "findings" and that emergency rules proposed or adopted in whole or in part to satisfy the requirements of a temporary curtailment order must include a specification in the rule of the dollar amount of curtailed funds attributable to each change adopted in the rule.

Committee Amendment "A" (H-334)

This amendment removes the language of proposed rules from the provisions relating to emergency rules because emergency rules are only adopted and not proposed. The amendment also clarifies that the findings for an emergency rule must be included in the basis statement for the rule and not the rule itself.

Enacted Law Summary

It also specifies that the basis statement for an emergency rule must include a "findings" section that describes the existence of an emergency.
