FARNHAM	OTP-AM	S-152 FARNHAM S-55

LD 1132 authorizes the Director of the Bureau of Parks and Lands within the Department of Conservation, for exchange of land or interests in land of comparable market value, to convey access rights by easement to Pingree Associates, Inc., in connection with land in Township 5, Range 2, also known as Lincoln Plantation; Township 4, Range 2, also known as Adamstown Township; Township 4, Range 1, also known as Richardsontown Township; and Township C, all in Oxford County. It also authorizes the director, for exchange of land or interests in land of comparable market value, to convey a parcel of land in Nashville Plantation, in Aroostook County, to Pingree Associates, Inc.

**Committee Amendment "A" (S-55)**

This amendment removes that section of the resolve that authorized the Director of the Bureau of Parks and Lands within the Department of Conservation to convey a parcel of land in Nashville Plantation. It also clarifies that owners of land managed by Pingree Associates, Inc., are the recipients of the road access rights conveyed in the resolve. It identifies the approximate lengths and names of the roads upon which access rights are conveyed.

**Senate Amendment "A" To Committee Amendment "A" (S-152)**

This amendment more specifically identifies the easement conveyed along the Richardson Pond Road in Township 4, Range 2.

**Enacted Law Summary**

SAVIELLO	ONTP	

LD 1145 requires that any funds awarded under the Department of Conservation, Bureau of Forestry's public building wood-to-energy program be on the condition that the recipient purchase wood fuel from a Maine harvester or manufacturer for use in the wood-to-energy system purchased using the funds. This resolve also requires the Department of Conservation and the Department of Education to work together to promote to prior recipients of funds under the program the purchase of wood fuel from a Maine harvester or manufacturer, as long as the cost of the wood fuel does not exceed by more than 10% the lowest bid received by that recipient for wood fuel.
