**An Act To Implement the Recommendations of the Right To Know Advisory Committee**

**PUBLIC 320**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
	OTP-AM	H-441

This bill implements the recommendations of the Right to Know Advisory Committee as included in the Advisory Committee's 5th annual report.

**Committee Amendment "A" (H-441)**

This amendment adds a mandate preamble.

**Enacted Law Summary**

Public Law 2011, chapter 320 is the recommendations of the Right to Know Advisory Committee.

The recommendations resulting from the review of existing public records exceptions are contained in Part A.

Part B is in response to Resolve 2009, chapter 171. Part B amends the public policy section of the freedom of access laws to specifically allow communications outside of public proceedings between members of a public body if those communications are not used to defeat the purposes of the freedom of access laws.

Part C contains the advisory committee's recommendations pursuant to Resolve 2009, chapter 186. Part C requires that public bodies keep records of their meetings if they are required under the freedom of access laws to give notice of their meetings and the public body is not purely advisory in its authority.

Part D consists of the advisory committee's recommendations to broaden the review requirements for both existing public records exceptions and the Legislature's review of proposed public records exceptions. Part D provides that the review and evaluation process includes language that affects the public accessibility of a public record. Any factors that affect the accessibility may be considered, including but not limited to fees, request procedures and timeliness of responses.

Part E exempts social security numbers from the definition of "public records" under the freedom of access laws.

The mandate preamble exempts the State from paying the costs that may result from the requirement that records be kept of public proceedings.
