Joint Standing Committee on Taxation

5. It requires that, for property transferred from the Maine Tree Growth Tax Law program to the open space tax program and subsequently withdrawn from all current use tax programs entirely, the tree growth withdrawal penalty rather than the open space withdrawal penalty applies for the first 10 years after transfer.

6. It clarifies that any property within the unorganized territory that was withdrawn from classification under the Maine Tree Growth Tax Law between September 20, 2007 and July 1, 2010 and returned to tree growth classification pursuant to Public Law 2009, chapter 577, section 3 is for all purposes deemed not to have been withdrawn from tree growth classification during that period of time.

LD 1164 An Act To Support Maine Farms and Alleviate Hunger

DIED ON ADJOURNMENT

Sponsor(s)	Committee Report	Amendments Adopted
DION ALFOND	OTP-AM MAJ ONTP MIN	H-710

This bill was carried over from the First Regular Session of the 125th Legislature.

This bill provides an income tax credit up to \$5,000 to persons engaged in commercial agricultural production for donations of food to incorporated nonprofit organizations that provide free food to low-income individuals for the purpose of alleviating hunger.

Committee Amendment "A" (H-710)

This amendment changes the bill by reducing the maximum amount of the income tax credit for a donation of agricultural products to \$2,500 and making the credit nonrefundable. It clarifies that an organization receiving the donated food must be exempt from federal income tax under Section 501(c) of the federal Internal Revenue Code or a nonprofit corporation organized under the Maine Revised Statutes, Title 13-B and may not charge a fee for the food or require any other type of compensation. It provides a definition of "low-income individual," clarifies how fair market value of the donation will be determined and prohibits a taxpayer that has claimed a federal deduction for a charitable contribution for the same donation from claiming the credit. It provides for a review of the tax credit by the joint standing committee of the Legislature having jurisdiction over taxation matters no later than April 1, 2018 to determine whether the credit should be continued, repealed or modifed. It provides that the changes apply to tax years beginning on or after January 1, 2013.

This bill was placed on the Special Appropriations Table and died on adjournment.
