Joint Standing Committee on Insurance and Financial Services

transact individual health insurance in Connecticut, Massachusetts, New Hampshire or Rhode Island to offer health plans in Maine under certain conditions was included in LD 1333, An Act to Modify Rating Practices for Individual and Small Group Health Plans and to Encourage Value-based Purchasing of Health Care Services. See LD 1333, which was enacted as Public Law 2011, chapter 90.

LD 1175 **An Act To Allow a Homeowner To Insure a Residence for Less than Actual Cash Value** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FREDETTE	ONTP	

This bill allows a homeowner to insure the primary residence of the homeowner for an alternative insured value, which is no more than the actual cash value of the residence. It requires the execution of a rider that meets the requirements of the Superintendent of Insurance within the Department of Professional and Financial Regulation to indicate the homeowner's choice of insuring at the alternative insured value. It requires the superintendent to adopt routine technical rules to establish the approved form for the alternative insured value rider.

LD 1179 **An Act To Require Advance Review and Approval of Certain Small Group Health Insurance Rate Increases and To Implement the Requirements of the Federal Patient Protection and Affordable Care Act** **Carried Over**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
GOODE BRANNIGAN		

Part A of the bill makes the rate review process for small group health insurance rates the same as the process for individual health insurance. Part A requires that, if a filing proposes an increase in rates in a small group health plan, the Superintendent of Insurance shall hold a hearing on the proposed rate increase at the request of the Attorney General. Part A makes it clear that in any hearings the burden of proving proposed rates are not excessive, inadequate or unfairly discriminatory is on the insurer. Part A also repeals the optional rate review process that permits small group health insurers that meet a minimum 78% medical loss ratio to file rates with the Department of Professional and Financial Regulations, Bureau of Insurance for informational purposes.

Part B of the bill amends the Maine Insurance Code to conform to the requirements of the federal Patient Protection and Affordable Care Act, Public Law 111-148. Part B also authorizes the Superintendent of Insurance to amend rules for consistency with the requirements of the federal law and any regulations adopted pursuant to that law.

LD 1179 was carried over to any special and/or regular session of the 125th Legislature pursuant to joint order, H.P. 1190.
