Joint Standing Committee on Energy, Utilities and Technology

energy developers involved in a grid-scale wind energy development. The rules must prohibit conflicts of interest and include methods to monitor compliance. The rules are major substantive rules. The bill includes monetary penalties for violations of the wind energy development code of ethics.

The committee considered 14 bills related to wind energy development during the First Regular Session of the 125th legislature. The committee voted all of the wind energy bills, except LD 1366, An Act to Update the Maine Wind Energy Act to Include Low-emission Energy, ought-not-to-pass. The committee amendment to LD 1366 was used as a vehicle to address many of the wind energy issues brought forward in the other bills.

LD 1191 Resolve, To Encourage Business Development by Creating Limits on the Time Certain Utilities May Hold a Business Customer's Deposit RESOLVE 38

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MACDONALD BARTLETT	OTP-AM	H-127

This bill provides that a public utility may hold a deposit from a nonresidential customer for no longer than one year, after which time the deposit must be returned to the customer.

Committee Amendment "A" (H-127)

This amendment replaces the bill with a resolve that directs the Public Utilities Commission to amend its rules to require that deposits paid by small businesses with impeccable bill-paying histories be returned to those businesses after a reasonable time period. The commission may consider establishing different rules for different-sized utilities to account for differences in the risk to ratepayers associated with defaults by businesses. The commission may consider basing eligibility for return of a deposit on the size of the deposit that was required of the business, such as a business whose deposit was less than \$10,000. The commission is directed to establish a reasonable time period, such as 5 years, before a business is eligible for a return of the deposit. Rules adopted pursuant to this resolve are major substantive rules pursuant to the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A and must be provisionally adopted by January 15, 2012.
