***Joint Standing Committee on Criminal Justice and Public Safety***

Public Law 2007, chapter 653 enacted changes to the laws governing the delivery of state and county correctional services. This bill reverses those changes. This bill repeals changes that were enacted pursuant to Public Law 2007, chapter 653, whose purpose was to develop and implement a unified correctional system. The bill eliminates the State Board of Corrections, which was directed to work with counties, the Department of Corrections, the Legislature and other stakeholders in the criminal justice system to oversee and coordinate the correctional system. The bill reenacts procedures for county budgeting that do not separate correctional costs from noncorrectional costs. The bill also reenacts prior procedures for county corrections reimbursement by the State.

**LD 1182 An Act To Protect Young Children from Sex Offenses**

**DIED BETWEEN HOUSES**

DIAMOND	ONTP MAJ OTP-AM MIN	

Current law provides that most sex crimes against a child under 12 years of age, such as gross sexual assault, unlawful sexual contact and sexual exploitation of a minor, are Class A or Class B crimes. This bill increases the class of crime for sexual misconduct with a child under 12 years of age from a Class C to a Class B crime and for unlawful sexual contact with a child under 12 years of age, when the defendant is at least 3 years older, to a Class A crime to bring those crimes more in line with the classification of other sex crimes against children under 12 years of age. Due to the increase in the classification of unlawful sexual contact to a Class A, the Maine Revised Statutes, Title 17-A, section 255-A, subsection 1, paragraph F-1 was made redundant and so is repealed.

**Committee Amendment "A" (S-295)**

This amendment is the minority report of the Joint Standing Committee on Criminal Justice and Public Safety. The amendment adds an appropriations and allocations section.

This amendment was not adopted.
