Joint Standing Committee on State and Local Government

LD 1220 An Act To Improve the Workplace for State Employees

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WILLETTE M JACKSON	ONTP	

This bill amends Public Law 2003, chapter 20, Part U, which directs all state agencies to implement measures to reduce energy consumption, to allow a manager or supervisor to regulate the thermostat to ensure that an entire work area reaches the required temperature and to allow the use of ceramic space heaters.

LD 1221 An Act To Encourage Prompt Payments by the State When It Contracts with Outside Agencies

**DIED ON
ADJOURNMENT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MOULTON SULLIVAN	OTP-AM	H-389 H-594 MOULTON

Current law allows a vendor to charge a reasonable late fee if a state agency does not make the required payment for an invoice on time. This bill requires a state agency that does not make the required payment on time to pay a late fee of 1.5% per month unless the contract includes a different amount to be levied if payment is late.

Committee Amendment "A" (H-389)

This amendment changes the rate of a late fee if a state agency does not make the required payment for an invoice on time from 1.5% to 1% per month of the amount owed unless the contract includes a different amount to be levied if payment is late.

House Amendment "B" (H-594)

This amendment adds an emergency preamble and emergency clause to the bill and specifies that the legislation applies to contracts entered into on or after the effective date.

This bill died on the appropriations table on adjournment.

LD 1223 An Act Regarding Credit Card Transactions for InforME Services

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
KESCHL KATZ	ONTP	

This bill requires any fee charged for using a credit card to pay a municipal charge, such as a tax or license fee, through the InforME system to be paid by the user and not the municipality.

Joint Standing Committee on State and Local Government

The substance of this bill was incorporated into LD 1521 which was enacted as Public Law 2011, chapter 321.

LD 1248 An Act To Require Approval by the Voters of Legislation To Enact or Increase a Tax or Fee MAJORITY (ONTP) REPORT

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
THIBODEAU	ONTP MAJ OTP-AM MIN	

This bill provides that a measure enacted by the Legislature that would create or increase a tax or fee may not take effect until the measure has been approved by the voters at the next statewide election and requires the Secretary of State to post information regarding the measure on its website and include the information on the ballot.

Committee Amendment "A" (S-224)

This amendment, which is the minority report of the committee, replaces the bill and requires the creation or increase of a tax generating \$10,000,000 or more annually to be approved by the voters unless the measure is approved by a vote of 2/3 of all the members elected to each chamber of the Legislature. It also removes the requirement that the Secretary of State prepare information about how the projected new revenue is intended to be used.

LD 1257 An Act Regarding Labor Contracts for Public Works Projects PUBLIC 463

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PLOWMAN	OTP-AM MAJ ONTP MIN	S-254 S-318 THOMAS

This bill provides that the plans, specifications and contract documents for a public works project may not require bidders, contractors or subcontractors to enter into or comply with certain agreements with labor organizations. The bill also provides a cause of action to challenge the awarding of a contract that violates these provisions.

Committee Amendment "A" (S-254)

This amendment, which is the majority report of the committee, specifies that a public authority may not impose as a condition of awarding a bid a requirement on an employer to enter into or comply with certain agreements with labor organizations. The amendment removes an employee of a bidder, contractor or subcontractor for a public works contract and a taxpayer from the definition of "interested party," which describes those who have standing to bring action to challenge the awarding of a public works contract for violating these provisions. It clarifies that the court determines other appropriate relief to be awarded in an action rather than stating that an interested party that prevails in an action is entitled to any other appropriate relief requested by that party.

Senate Amendment "C" To Committee Amendment "A" (S-318)

This amendment specifies that for public works contracts entered into by the Department of Transportation and the Maine Turnpike Authority for a construction project awarded or renewed from October 1, 2011 to October 1, 2015, the contract may not include, as a condition of awarding a bid, a requirement on an employer to enter into or comply
