## Joint Standing Committee on Taxation

### Enacted Law Summary

Public Law 2011, chapter 285 makes the following changes to the laws governing taxation.

1. It eliminates the requirement that a visual media production company submit a copy of its certified visual media production report to the State Tax Assessor.
2. It imposes a specific requirement that, if the sales tax is not separately stated, a retailer must include a statement on the sales slip or invoice presented to the purchaser that the stated price includes Maine sales tax.
3. It clarifies the intent of the Legislature in changing the Maine Revised Statutes, Title 36, section 1760, subsection 25 to exempt from sales and use tax watercraft used in this State for no more than 30 days by a nonresident and repeals redundant language. This is related to Public Law 2009, chapter 620, which changed the law to provide for a reduced sales tax rate for watercraft purchased and kept in the State or brought into the State by nonresidents for more than 30 days. Public Law 2011, chapter 285 provides for a retroactive application of these changes in section 1760 to be consistent with the effective date of Public Law 2009, chapter 620.
4. It clarifies and expands provisions enacted by Public Law 2009, chapter 632 that require the State Tax Assessor to post certain information relating to products used in commercial agricultural or silvicultural crop production or in animal agricultural production on the publicly accessible website of the Department of Administrative and Financial Services, Bureau of Revenue Services.
5. It removes the requirement that the State Tax Assessor issue classified permits to registered retailers and clarifies that only individual taxpayers may report sales tax on casual rentals of living quarters on their individual income tax returns. It provides that classified permits previously issued remain in effect.
6. It requires persons making delivery sales of cigarettes or tobacco products to obtain a distributor's license and pay Maine taxes, as provided by federal law.
7. It applies the criminal penalties for filing a false tax return or document to false tax returns and documents filed electronically.
8. It provides that the sales tax exemption for Pine Tree Development Zone businesses applies to the sale of the transmission and distribution of electricity to those businesses.
