**LD 1394      An Act To Impose Penalties for Certain Transfers of Assets at Less Than Fair Market Value by Individuals Receiving Long-term Care Services      ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
STRANG BURGESS ROSEN R	ONTP	

This bill requires the Department of Health and Human Services to impose an asset transfer penalty, with a lookback period of 60 months, on a person seeking to qualify for MaineCare funding and support of any long-term care services, and who has made a transfer or other disposal of assets at less than fair market value. See related provision in biennial budget, Public Law 2011, chapter 380, Part MM.

**LD 1406      An Act Regarding the Scope of Services That May Be Provided by Pharmacies Owned by Hospitals      MINORITY (ONTP) REPORT**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FARNHAM	OTP-AM MAJ ONTP MIN	

This bill provides that a pharmacy that is owned by and located in a hospital may dispense prescription drugs to a person who is a patient in that hospital and to a person who is receiving health care services in a nursing facility or a long-term care facility that is affiliated with that hospital. It clarifies that the definition of "pharmacy" in the Maine Pharmacy Act does not include a hospital pharmacy.

**Committee Amendment "A" (S-161)**

This amendment, which is the majority report of the committee, clarifies language regarding the scope of services of a hospital pharmacy by allowing the pharmacy to dispense prescription drugs to active and retired hospital employees and hospital staff members and to their dependents and making technical changes. The amendment removes from the bill mention of long-term care facilities and affiliates of a hospital.

This bill establishes a mechanism for the Department of Health and Human Services to certify duly qualified individuals as trained in the field of wild mushroom harvesting.
