FIRST REGULAR SESSION

LEGISLATIVE DIGEST OF BILL SUMMARIES AND
ENACTED LAWS

This *Legislative Digest of Bill Summaries and Enacted Laws* summarizes all LDs and adopted amendments and all laws enacted or finally passed during the First Regular Session of the 125th Maine Legislature.

The *Digest* is arranged alphabetically by committee and within each committee by Legislative Document (LD) number. The committee report(s), prime sponsor and lead co-sponsor(s), if designated, are listed below each LD title. All adopted amendments are summarized and listed by paper number. A subject index is included with each committee. The appendices include a summary of relevant session statistics, an index of all bills by LD number and an index of enacted laws by law type and chapter number.

Final action on each LD is noted to the right of the LD title. The following describes the various final actions.

An Act To Remove Obstacles to the Use of Technological Advances for Heating in Multifamily Structures

PUBLIC 300

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FITTS	OTP-AM	H-493

Under current law, electric space heating equipment may not be installed as the primary heating system in construction that is funded using public funds. This bill specifically exempts electric thermal storage space heating equipment from this prohibition.

Committee Amendment "A" (H-493)

This amendment defines "geothermal heat pump" and provides that geothermal heat pumps are not considered electric space heating equipment for the purposes of the laws governing electric heating systems in subsidized housing, thus allowing the pumps to be installed in multifamily residential structures funded by public funds.

Enacted Law Summary

Public Law 2011, chapter 300 defines "geothermal heat pump" and provides that geothermal heat pumps and electric thermal storage space heating equipment are not considered electric space heating equipment for the purposes of the laws governing electric heating systems in subsidized housing, thus allowing geothermal heat pumps and electric thermal storage space heating equipment to be installed in multifamily residential structures funded by public funds.

LD 1510

An Act Regarding Information Provided to Consumers by Competitive Electricity Providers

PUBLIC 284

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
FITTS	OTP-AM	H-398

This bill removes the requirement that a competitive electricity provider provide information to a customer at least once annually that enhances the consumer's ability to effectively make choices in a competitive electricity market. It requires the Public Utilities Commission to establish by rule standards for making this information available through any means considered appropriate.

Committee Amendment "A" (H-398)

This amendment changes the designation of the rules related to information provided to consumers by competitive electricity providers from major substantive rules to routine technical rules and removes the date by which the rules were to be adopted.

Enacted Law Summary

Public Law 2011, chapter 284 removes the requirement that a competitive electricity provider provide information to a customer at least once annually that enhances the consumer's ability to effectively make choices in a competitive electricity market. It requires the Public Utilities Commission to establish by rule standards for making this
